MEMORANDUM FOR: Deputy Director of Central Intelligence
**SUBJECT: Briefing Material in Connection with
Resumption of AQUATONE Operations**

1. Mr. Bissell requested that I make the attached paper available to you. It was prepared by the Ad Hoc Requirements Committee as you will see to help out on the upcoming briefing for the President.

2. Your criticism of this will be helpful at this time inasmuch as we would then be able to make such improvements as you might suggest. When you are ready to discuss it, it is Mr. Bissell's wish that join in that discussion.
